

Geography Knowledge Organiser		
Year group: 5	Topic: What do to with Waterlooville?	Element of Geography (GT): Fieldwork
Key Question: What to do with Waterlooville?		

Key Vocabulary	
Human/Physical features	Features made by/not made by human involvement
Super peninsula	A landform that extends from a mainland and is surrounded by water on most sides
Brownfield site	Land that has been built on previously, in contrast with greenfield land which has not.
Coastline	The boundary of a coast, where land meets water.
Population	The number of people living in a certain area
Locational knowledge	UK, Denmead, Waterlooville, Portsmouth

What key knowledge will I have by the end of this journey?

Locational knowledge:

I can locate the Denmead and Waterlooville on a map

I can name geographical regions and their identifying human and physical characteristics

Place knowledge:

I can understand geographical similarities and differences through the study of human geography between the UK and rest of the world

Human and physical geography

Discuss and justify how different settlements and land use have affected the surrounding areas and identify what is needed for the population to flourish.

My outcome will be
To have a plan for the redevelopment of Waterlooville based on the research completed on the needs of the local population.

Mediums and Resources							
	Time: Tally 1	Time: Tally 2	Site Name:				
	Weather:	Weather:					
Pedestrians			Would this be a good site to build houses on. Think about the pros and cons and list them below. Talk to other groups about their ideas, too!				
Cars							
Vans							
Buses							
Bicycles							
Motorcycles
