Dear parents and carers,

OFSTED REPORT – OCTOBER 2019

I am very pleased to be able to send out the report from our recent Ofsted inspection. Under this new Ofsted inspection framework, we found the process to be extremely thorough, with observations in all classes, conversations with many, many children (we estimate around 1/3 of the school) and in-depth staff discussions. Thank you too, for the 53 parental responses to their questionnaire.

All the action points for further improvement we had already identified in our school development plan for this academic year, and had the inspectors dropped by later in the year then the school would have been in an even stronger position.

Rest assured that we will all continue to be 'determined that all pupils develop the skills they need to succeed in the future'.

If you have any questions about the report, please do contact us.

Yours sincerely,

Elaine Viner
Head Teacher
