Tuesday 7th January 2020

Dear parents and carers,

I am writing to let you know that after 22 years in this exciting, joyful and rewarding (yet challenging!) profession, I will be retiring at the end of this academic year in July and that you will very soon see the position of Head Teacher at DJS advertised.

Please be assured that the governors of the school, supported by the Local Authority will seek out the very best candidate to continue the school development work that I, and the team here, have set in motion. The design of the recruitment process has been ongoing behind the scenes since I informed the governors of my decision back in October.

Soon you will receive a letter from Mr Glenn Taylor, Chair of Governors, to tell you more about the recruitment plan and how they will keep you informed throughout the selection process.

I have every confidence that our Governing Body will secure a highly skilled, dynamic new Head Teacher who will thoughtfully lead the school team on to refine its work and continue to deliver on our mission statement of 'Building success and Inspiring Curiosity' for every child.

I have led this school since September 2014 and it has been an absolute pleasure and privilege to see the school grow and children and staff at the school to blossom and flourish. However, as always there remains much to do and achieve this year, and in the meantime, I will continue to show my commitment and dedication to your children and this school and its community.

Yours sincerely,

Elaine Viner
Head Teacher
