Friday 1st May 2020

Dear Parents and Carers,

School Reports

We have taken the decision to write and send out your child's school report now. Obviously this covers the school year up to March 20th 2020 and teachers have been writing them since lockdown started. We felt it odd to then hang on to them to send to you at the end of the academic year, when they only cover the period up to March. The usual format has also been adapted, incorporating the autumn term curriculum report within it.

We are going to be emailing the report to you in the first instance. This will be to the email address we have for you in the school office. As these are having to be sent individually this process will start today and will take a few days to complete. Please do contact us if you have not received your child's report by the end of next week.

If you have any questions regarding the report, please can you email the school using the email djshomelearning@gmail.com outlining the nature of your question so that it can be forwarded to the relevant staff member to respond to.

Thank you for your continued support during these difficult times.

Best wishes,

Elaine Viner
Head Teacher
