

Spanish learning

Hola!

During lockdown Language Angels, the website used at school, has generously allowed all pupils to have access at home. This means that you can revise the units you have already learnt, play the games and even do some new learning!

Home School is here!

I'm getting in touch with some exciting news!

We've just released our new **Language Angels Home School** site which will enable your pupils to continue their foreign language learning journey whilst they are at home.

All of the pupils in your school can log in to the Home School site using the username and password below.

Your school login details

USERNAME

Denmea1169

PASSWORD

lahome

These details are specific to your school. They should not be shared with pupils from other schools.

The site is simple to use.

1. Go to www.languageangels.com
2. Click LOGIN in the top right corner of the screen.
3. Select the HOME SCHOOL option.
4. Enter USERNAME and PASSWORD.
5. Select the UNIT you want.
6. Select your LESSON and click START LESSON.
7. Enjoy learning using all the resources provided in your lesson.
8. Click BACK TO DASHBOARD to select your next lesson.

You can watch a video of how easy the site is to use by clicking the button below.

NB: Parents and pupils can watch the same video by visiting this page: <https://languageangels.pages.ontraport.net/hs>

The Home School site is a stripped back version of our normal site. Pupils will have access to a selection of our units (each containing 5 lessons, no assessment etc.) which they will be able to use to continue their foreign language learning at home. They will have a PowerPoint, some printable worksheet activities, karaoke songs and access to our interactive games area.

Have fun. Enjoy! Hasta luego!
