15th May 2020

Dear Parents and Carers,

I am delighted to introduce myself as your new Headteacher. As Mr Taylor outlined in his letter to you earlier, I've enjoyed a range of experiences in my 25 years in education. I bring with me a passion and desire to do the very best for ALL your children. I want them to enjoy the very best educational experience that will help them become both the best learners they can be and the best people too!

I'm very much about developing the whole child and giving all children a breadth of high quality educational opportunities that makes their learning and their time here with us memorable – these should be the best times of their life. I also want children to discover their passions and to work hard to make the most of them.

But I also want children to feel safe and secure when they come to school and when they learn, so that they can be encouraged to take risks, to embrace failure as part of the learning journey and to feel confident in taking themselves out of their comfort zone and in doing so growing as learners and as individuals.

I am really looking forward to getting to know your children, getting to know you and the whole community and to fully understand and appreciate the role that Denmead Junior School plays within the wider community.

Thanks to the diligent work by Mrs Viner and the entire staff team, children, parents and governors alike you are already a great school. But I hope that I can play my part in helping the school become even better and I will work with energy and enthusiasm to make this happen.

In the meantime, I wish you all a safe, happy and healthy end to the school year.

Kind regards,

Mr Andy Clarke
