Dear parents and carers,

School closure – Half Term

As you know the school is working on its plans to re-open after half term. As each day has gone by since the announcement, the work necessary to open the school more widely has become clearer - and is quite daunting. More guidance came out from the Hampshire Local Authority this week.

I have therefore made the decision that we will need to close the child care provision that the school has been offering for the 'half term' week beginning 25th May. This will enable staff to prepare for the expected reopening to more children from after half term, as well as preparing the school site.

I know this may present one or two of you with childcare issues for that week, please accept my apologies for any inconvenience this causes.

I am also mindful that the school had originally booked an Inset day for June 1st. I will be making a decision on what happens on that day shortly.

Thank you for your support.
