Dear parents and carers,

### Survey regarding future online access for pupils at home

In September, if there is a second wave of Covid-19 cases and the school had to close again to all but keyworkers, our lessons would move online. To help us prepare for this, we are asking all families to please complete the form below and **return to [djshomelearning@gmail.com](mailto:djshomelearning@gmail.com) by this Wednesday 1<sup>st</sup> July.**

If online learning becomes the requirement in September, children will need to have a reliable, accessible email address (i.e. not: via a business email, available only part-time, or with the potential to misplace emails), so please include this below.

Kind regards,

Elaine Viner  
Head Teacher

Child's name:

Current class:

If lessons were online my child would have:

	Full access	Partial access*	No access	Additional information
Internet				
Computer/laptop or tablet				
Screen on a phone				
Printer				

\*Partial access would include situations whereby there is one tablet in the house but several children would need to access this, or unreliable wiFi connection.
