Friday 3rd July 2020

Dear parents and carers,

WEEKLY UPDATE

Where is the year going? July already - it seems only yesterday that the clocks changed, and yet now we are past midsummer's day.

It has been lovely to welcome year 6 children who have been shielding, back into 'Bubble School' this week and to see the year 5 settle into our new rules and routines for staying safe at school. I am sure that many of you are looking forward to further lockdown restrictions being lifted this weekend and I know that you will also be mindful of not exposing children who are currently attending bubble school to any undue risk.

Thank you for all your responses regarding our transition arrangements and for the survey regarding IT facilities at home for September - we are currently processing all this information. We have not been able to send an acknowledgment to every email received but if we have not received your form, we will be telephoning next week for the information.

Meanwhile, all **class teachers will be inviting their current classes** into an on-line classroom meeting next week. This will be held after school hours and the full details (aims, procedures, timings, rules etc) will follow on Monday.
