Dear Parents and Carers

Pupil absence advice – parent reminders.

Thank you for working with us to ensure that we do all that we can to prevent the spread of Covid-19 within our school community, whilst at the same time trying to ensure that children are in school as much as possible!

We know the decision about whether to send your child to school or not can be tricky, and this will become increasingly so as we enter cough and cold season. We hope the attached flowchart will help you with your decision making which will apply at both Denmead Infant and Junior School. However, please remember that if you have any doubt about whether your child should be in school then you should ring 111 for further advice.

Thank you again for your support

Mr Andy Clarke
Head Teacher
