

September 2022

Headteacher
Mr IR Gates MA NPQH

Dear Parent

At The Cowplain School, we strongly believe in encouraging students to reach their full potential, even before they join us in Year 7.

Therefore, we are excited to offer your Year 6 child the opportunity to join us during the Autumn Term for some educational and fun after-school clubs. There are a range of activities available, which will give your child the opportunity to see what learning is like at secondary school, meet some of their future teachers, and experience our facilities at The Cowplain School. **There is no cost to attend the activities.**

Science – our Science department are excited to offer challenges and experiments in our purpose-built science laboratories using circuits, Bunsen burners and much more, giving children a taste of science at The Cowplain school.

Art – Our Art department are looking forward to creating 3D objects using colourful wire

Computing – Students will get to use our brand-new computing suite. They will put together a circuit board that has glow up LED lights and work alongside our computing ambassadors

Textiles and Food Preparation – Students will use our brand-new textiles room learning how to use a sewing machine and make tie dye patterns. In addition to this they will learn how to bake!

These sessions will run from 3.30pm to 4.30pm starting w/c 3rd October – 19th October (inclusive).

Monday - Art

Tuesday - Computing

Wednesday – Science & Textiles/Food Preparation

Your child should be dropped off and collected from The Cowplain School main hall; please let us know if you are happy for your child to make their own way home.

We have 26 places available for every Master Class. These will be allocated on a 'first come, first served basis'. The closing date for this is **Wednesday 28th September**. Should the spaces be filled before this date, you will no longer have the option to select the activity. If you would like your child to take part in this fantastic opportunity, please complete the google form below as soon as possible to secure your child's place.
