Denmead Junior School, judged as ‘Good’ by Ofsted in Spring 2016, is a three form entry village school, with an inclusive ethos. In 2017-18 the school moved to mixed age classes across the school, creating a lower school with 5 classes of mixed year 3 and 4 and an upper school with 5 classes of mixed year 5 and 6 children. Mrs Elaine Viner, the Head Teacher, leads a team of motivated and highly skilled staff. We have close links with Denmead Infant School, ensuring a smooth transition for children choosing to continue their primary education in Denmead. Kerry Howard (Inclusion Leader/Designated Teacher for Children in Care) takes a lead responsibility for Inclusion and SENDCo, ensuring that all groups of children make progress from initial starting points whilst managing additional support and funding. Supporting the Inclusion Leader is Mrs Ros Owen (Pupil Premium and SEND Governor).

The National Foundation for Educational Research (NFER) published a research report entitled ‘Supporting the Attainment of Disadvantaged Pupils: Articulating success and good practice’. Commissioned by the Department for Education, the report draws on the seven key building blocks to Pupil Premium success. Every member of staff is responsible for driving the ‘building blocks’ at Denmead Junior School.

**The seven ‘building blocks’**

The NFER research identified seven “building blocks” for interventions to raise the attainment of disadvantaged children. They are:

- Whole-school ethos of attainment for all
- Addressing behaviour and attendance
- High quality teaching for all
- Meeting individual learning needs
- Deploying staff effectively
- Data-driven and responding to evidence
- Clear, responsive leadership

The building blocks of Pupil Premium success (NFER)

We have high aspirations for our children and we focus upon the learning values of resilience, reciprocity, reflectiveness and resourcefulness and encouraging growth mindsets. We strongly believe that it is not about where you come from but your passion and thirst for knowledge, and your dedication and commitment to learning that make the difference between success and failure. We are determined to ensure that our children are given every chance to realise their full potential. We believe that one of the biggest barriers for children can be the poverty of expectation as well as the lacking of key skills, therefore we are determined to create a climate that does not limit a child’s potential in any way.

Denmead Junior School has below average percentages of children entitled to free school meals (FSM), Children in Care (CIC) and children from Service Families (SF). We are committed to ensuring that all pupils achieve well and make good progress, including children who may be disadvantaged and in receipt of Pupil Premium funding and our other pupils who may be vulnerable or have special educational needs/disabilities (SEND). We believe there is no “one size fits all” so it is essential we identify individual gaps in order to provide personalised targeted support so that our children can flourish. Pupil Premium funding represents a proportion of our budget and we are committed to ensuring it is spent to maximum effect.

1. Future attainment gaps (for pupils eligible for PPG)	
In-school gaps (issues to be addressed in school, such as poor oral language skills)	
A.	In each year group there is a small number of pupils eligible for the pupil premium grant, there are no common gaps therefore each pupil's unique circumstances are identified and addressed through individualised provision.
B.	Key systems, including accountability, need to continue to be strengthened to ensure the individual needs identified are even more targeted.
C.	Increase the aspirations and expectations of the vulnerable children
2.External gaps (issues which also require action outside school, such as low attendance rates)	
A	Parental Engagement
3.Desired outcomes (Desired outcomes and how they will be measured)	Success criteria
<p>Increasing the proportions of disadvantaged pupils reaching expected and greater depth across the curriculum through further embedding independence, mastery and developing metacognition.</p> <p>All children will engage in a rich curriculum whilst attending a wide range of clubs to broaden their experiences.</p> <p>Ensuring disadvantaged pupils make strong progress and a greater proportion achieve or exceed ARE.</p> <p>Strengthen parental engagement through structured conversations and our work with the AFA (Achievement for All) partner</p>	<p>Pupils with SEND and disadvantaged pupils will have regular personalised targets based on learning needs in relation to the scroll back system or the DJS Assessment System.</p> <p>Planning will outline the HQIT (High Quality First Teaching) for these learners and it will be informed by the Pupil Progress Meetings, the DJS Scroll back system, our Pupil Premium Passports and IPMs.(Individual Provision Map)</p> <p>All classes are on track to meet agreed performance management data for groups of learners – including the disadvantaged. ## Impact of the previous year's spending academic year 2016-17

### Summary of strengths and impact

- Profile of Pupil Premium was successfully raised.
- All staff identify the strengths, barriers and learning gaps of each child.
- Disadvantaged targets were met due to regular reviewing.
- Individual targets or personalised learning journeys were set for all children.
- Planning, tracking and monitoring systems were streamlined and utilised to ensure positive impact on pupil outcomes.
- Outcomes for SEND children improved.
- Data informed teaching and learning.
- CPD ensured all staff were able to provide appropriate provision for all pupils.
- Support from the AFA developed parental engagements through Structured Conversations.
- Robust and regular monitoring ensured Pupil Premium children were a priority.
- The Changing Mindsets Programme (via Portsmouth University), NIESR report showed that all pupils reported a change in their mind-set after the intervention.
- New technology was embraced by all staff.
- Moderation agreed our teacher assessment.
- Accountability for Pupil Premium children was secured.
